TEXTIEL

We produce comfortable and natural 100% cotton Turkish hammam towels, blankets, throws, bathrobes and more by combining Anatolia's profound values with technology and women's handicrafts – designed to make you feel special.

Our main aim is to provide special, natural and high-quality products to our customers.

We have been working within the framework of trust, commercial ethics and customer satisfaction with an awareness of responsibility.

In addition, we aim to make a difference with our environmentally friendly and renewable textile products made of 100% Turkish cotton.

We do this by cooperating with Fair Trade small businesses that employ women and use traditional production techniques.

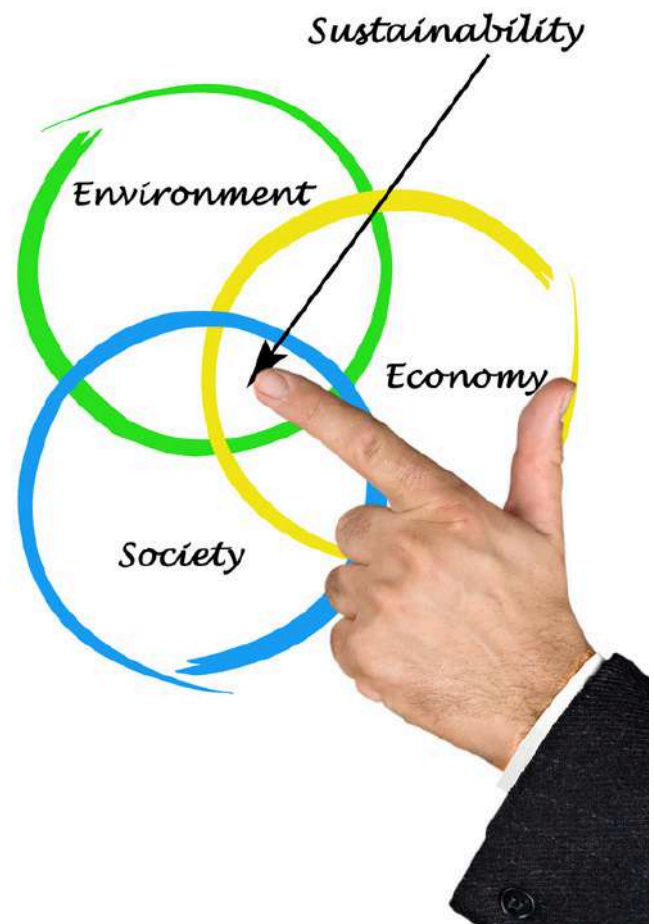

With strong logistics partnerships in Turkey and the Netherlands, and collaborations with renowned international transportation companies such as DHL Express, FedEx, UPS, and PostNL, we ensure efficient storage, distribution, and timely deliveries. Our strategic warehouse facilities optimize operations for seamless logistics solutions.

Experience eco-friendly services that prioritize quality. Customize wholesale orders with eco-packaging. Our certified sustainable products and fair trade partnerships ensure a brighter future. Embrace sustainability with us.

Crafted using Jacquard shuttle looms, this lightweight and compact towel combines strength and softness with its 100% cotton fibers.
